**FOR IMMEDIATE RELEASE:** June 27, 2007

## *Richmond County*

# **Traffic Shift on I-520 (Bobby Jones)**

TENNILLE— The Georgia Department of Transportation; Scott Bridge Company, Inc.; United Contractors, Inc. announce that there will be a lane closure on I-520 NB from I-20 to Scott Nixon Memorial Drive on Thursday, June 28, to install temporary barrier wall. The closures will take place at night between the hours of 9 pm and 6 am.

Northbound traffic will lose access to the far right turn lane and be shifted to the remaining lanes. This shift is necessary to construct the drainage alongside Bobby Jones Expressway and is in addition to the traffic shift of the inside northbound lane under the I-20 overpass on Bobby Jones.

As with all road construction, motorists are advised to use extra caution in construction work zones. Motorists are also reminded that the posted speed limit will be reduced to 45 mph in the construction zone.
